Holidays*

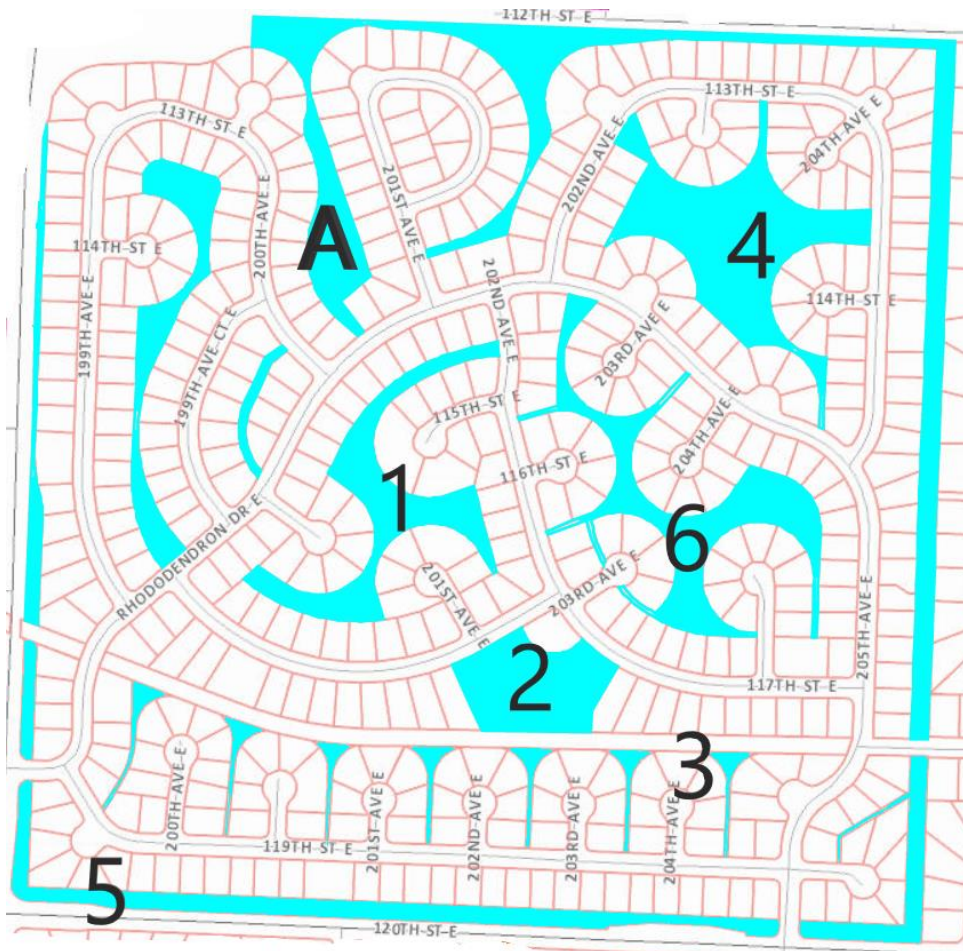

SANTA CLAUS AT THE PARK!

On December 15th, bring your kids to the meeting hall next to the tennis court at the 117th park between 1:00PM and 3:00PM. Santa Claus will be there to take pictures with the kids and give them a gift! There will be cookies and cocoa as well. This is for residents only at no charge.

TREE REMOVAL

The tree removal project started 11/12/19. Flanders' Logging started in the area on the attached map marked with a "1", and then to the area marked with a "4". Flanders has agreed to give the board 5% of mill price for trees that are in decent shape. A meeting will be scheduled hopefully early in January for the project to move forward from here. We are also trying to get quotes on cleaning up the common area marked with an "A" for brush removal and limited tree removal to help keep visibility and repel campers and homeless people from trying to utilize that area that our kids use to walk to and from the middle school. For more information, you can contact a board member or Bob Flanders at (253) 341-1394.

RPMC Board Members

Chris Blake, President

Darrell Pritchard, Vice
President

Robert DeVoe,
Secretary/Treasurer

Richard Clark

Lance Etris

Albert Johnson

Virginia Klein

The areas highlighted in blue are common areas owned by RPMC, which means all of us! Keep in mind that the numbers for order are not set in stone and may be changed as suited to need. Some areas may have limited access for the logging company, which can present an issue. The "3" covers the areas along the TPU water pipeline easement access road.
